

Road Committee Communication #1

Introducing NEW Peacham Pond Association Road Committee!

Feedback from Peacham Pond residents questioned how we could ***improve relationships and collaborate better*** with the Town of Peacham and Green Mountain Power while also providing consolidated input on matters such as drainage, trees and boulders. This feedback was brought before the Peacham Pond Association Board in August 2018. The Board discussed this topic and sanctioned the creation of a Road Committee. Following are the committee's charter, scope and members:

Charter - Improve road drive-ability & safety through:

- ✓ Proactive solicitation of ideas & comments from Peacham Pond residents
- ✓ Prioritization of input based on impact criteria
- ✓ Consolidated requests to Town of Peacham & Green Mountain Power (GMP)
- ✓ Communication of expectations, plans and results to all

Scope – Class 3 roads around Peacham Pond

- ✓ Peacham Pond and Onion Point Roads managed by the Town of Peacham

Committee Members

- ✓ Ryan Chapell, Chairperson
- ✓ John Guilmette
- ✓ Kevin Hudson
- ✓ Dave Noda
