

Road Committee Communication #2

Peacham Pond Association Road Committee Goals and Objectives

To achieve our Charter of improving road drive-ability and safety, the road committee has aligned on the following goals and objectives:

Goals and Objectives:

- ✓ Scope: Class 3 roads including Peacham Pond Road and Onion Point Road
- ✓ Selective road widening where narrow & appropriate (based on right of way consideration) through:
 1. Removal of dead/encroaching trees near power lines & along roads and property
 2. Creating space to push plowed snow & drifts
- ✓ Eliminate resident and emergency/service vehicle impact due to road blockages (into or out of area)
- ✓ Road surface stability through application of incremental gravel & removal of surface hazards such as protruding rocks or boulders near the road that may restrict grading and plowing
- ✓ Culvert repair or replacement and ditching as appropriate
- ✓ Periodic mowing of roadside to manage new tree and brush growth
