

Road Committee Communication #5

Peacham Pond Association Road Committee – Urgent Notification: Tree on Power Line

Due to strong winds Saturday evening, a tree near the Steven's camp on Onion Point Road was pushed over and is now resting on the power line. This power line is live and represents a potentially dangerous situation should the line snap, not to mention disruption to electrical service to all nearby camps. All residents living in or traveling to that area should exercise caution.

Green Mountain Power has been alerted to this situation and they committed to dispatching a crew. We will advise as soon as more information becomes available. Thank you!

Please send any comments directly to Ryan Chapell @ rtchapell81@gmail.com and/or Dave Noda @ dave.noda1@gmail.com. Thank you!
